

RD ACOUSTIC FLOOR SLAB

Acoustic insulation for impact and airborne sound reduction in floors

RD Acoustic Floor Slab is a stone wool insulation designed to act as a resilient platform floor layer in Robust Detail E-FC-8 for the reduction of impact and airborne sound.

Features and Benefits

Excellent acoustic performance

Helps reduce unwanted noise between adjacent properties when used as part of Robust Detail floor construction E-FC-8.

Quick and easy to install

Slabs are lightweight and simple to cut and install allowing fast coverage of large areas.

Non-combustible

RD Acoustic Floor Slab achieves a Euroclass A1 Reaction to Fire classification, according to BS EN 13501-1.

Product Specification

Product code	Thickness (mm)	Width(mm)	Length (mm)	Slabs per pack	Pack area (m ²)	Packs per pallet
5200013705	25	625	1200	6	4.50	21

CHARACTERISTICS

Characteristic	Description
Fire	Euroclass A1 Reaction to Fire classification according to BS EN 13501-1.
Environmental	ISO 14001 - All ISOVER products are manufactured under an Environmental Management System. The manufacturing process does not use or contain CFC's, HCFC's or other damaging gases.
Quality	All ISOVER products are manufactured under Quality Management Standard - ISO 9001. RD Acoustic Floor Slab is manufactured in accordance with BS EN 13162 : Thermal insulation products for buildings. Factory made mineral wool (MW) products.
Building regulations	When correctly installed within the separating floors of a building, this product can help meet the requirements of Approved Document L1A & Approved Document E (England & Wales) / Section 5 and Section 6 (Scotland).
Durability	Thermal conductivity of mineral wool products does not change with time. Experience has shown the fibre structure to be stable and the porosity contains no other gases than atmospheric air. Made from rot-proof, non-hygroscopic materials. Will not sustain vermin, nor breed or promote fungi or bacteria.
Handling and storage	Information regarding storage, installation and handling of ISOVER products, or health & safety information, can be found here.
Health and safety	
Certification	CE marked (ISOVER-GB-001) to BS EN 13162. Designation code: MW-EN 13162-T7.
